

# NFIP April 2020 Changes

A number of regulatory changes are coming to the National Flood Insurance Program, effective April 1, 2020. Here's the breakdown of what you need to know to stay on top of the changes and help your clients who may be impacted by these.

Reserve fund assessment increases from **15%** to **18%**

Additional documentation may be required for some primary residences

Updated methodology used to determine the floodproofing rating credit for a non-residential building

Discontinuation of V-Zone Risk Rating Factor Form

For flood insurance options that work for your customer, please contact your Aon Edge representative.

Please note this is intended for overview purposes only and to start an important dialog around the changes in flood insurance. Be sure to refer to FEMA and official NFIP publications for comprehensive policy information and guidance.
