REDUCED DEDUCTIBLE FOR REGULATORY REQUIREMENTS ENDORSEMENT

It is agreed that the section entitled **Limits of Liability & Deductible** is amended to add the following at the end thereof:

If, as a condition to **you** providing **professional legal services** to a state or federal regulatory agency, such agency requires a lower deductible than that stated in the Declarations, then such lower deductible will apply to any **claim** arising out of the performance of such **professional legal services**. However, notwithstanding anything to the contrary in this policy, **claim expenses** are part of any such regulatory agency deductible.

All other provisions of the Policy remain unchanged.
