Product features*

- Aon CyberBusinessPro provides a comprehensive solution should your customers' personally identifiable information be stolen by cybercriminals. You receive cyber liability to help protect you from potential lawsuits, risk management tools to help prevent break-ins and remediation benefits to assist affected customers.
- Workers' Compensation provides state mandated medical and wage loss coverage for employees for job-related accidents or sickness. Coverage includes employer's liability for liability claims arising out of work-related injuries.
- Peak Season coverage that increases your policy limits due to seasonal or weather events, is now included at no additional cost to our Bailee Coverage. Bailee Coverage provides protection for customer property in your care, custody or control.
- Property protection for your building and contents, including inventory, machinery, accounts receivable, computers and equipment breakdown.
- Property coverage includes business interruption, which pays for your lost income and extra expenses after a covered claim such as a fire.
- Inland Marine coverage for your scheduled equipment, such as generators, dehumidifiers and air movers and other specialized equipment used on the job and in transit.
- Umbrella Liability in excess of your Commercial General Liability, Commercial Auto Liability and your Workers' Compensation – Employers' Liability. Limits available up to \$10,000,000.
- EPLI provides protection against many kinds of employee lawsuits, including claims of harassment, discrimination, and wrongful termination.
- Fidelity and Crime offers coverage for claims involving employee theft, forgery or alteration, loss of money and securities, electronic fund transfer fraud and computer fraud.
- Commercial Automobile offers liability and physical damage insurance to cover your exposures.
